**A MESSAGE FROM THE EXALTED RULER  
KEN CALLEGARI**

Dear Fellow Elks,

I hope you are all enjoying our Elks Lodge this summer.

In August we have our first annual, Hot August Afternoon, where we will have a band and BBQ on Saturday, August 7<sup>th</sup>. We will end the summer season on Labor Day weekend with a band on Sunday, September 5<sup>th</sup> and the pancake breakfast on Monday, September 6<sup>th</sup>.

Thank you all for spreading the word about our Lodge. Due to a combination of the various Bocce ball, Pickle ball and tennis leagues; the Summer Swim Season; and the work of our officers and members, we are bouncing back nicely from last year.

I have had the pleasure of meeting many of you this year. Please come by and say hello, or give feedback on how we can improve things at our Lodge.

Thank You

Ken Callegari  
Exalted Ruler

## Pickleball is in full swing at the Lodge

Come out to learn the game, have some fun and enjoy friends.

Fun, social and friendly. The rules are simple and the game is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players.

Celebrating over a year+ Following installation of four courts of Pickleball at the Lodge, we are seeing this fast growing sport have a significant, positive impact on the Lodge through attraction of dozens of new members, along with member reactivations and high member engagement in the game. Each week see new faces showing up to learn or advance their games. With drop-in sessions every Thursday night from 7:30 to 9:30 and Sundays 1-3pm, coupled with the ability to simply pick up a paddle and learn the game in a matter of minutes, the game continues to grow. The drop-in days are run with work-up courts that allow for level setting of skill sets and serving as a great way to meet our community. Reservations for courts are always available through [sanmateoelks.org](http://sanmateoelks.org) and clicking on 'Lodge Members' at the top.

### Pickleball explained

1. A fun sport that combines many elements of tennis, badminton and ping-pong.
2. Played both indoors or outdoors on a badminton-sized court and a slightly modified tennis net.
3. Played with a paddle and a plastic ball with holes.
4. Played as doubles or singles.

Can be enjoyed by all ages and skill levels

For more information, contact Barry Peters at [barry@peterscellars.com](mailto:barry@peterscellars.com) or, better yet, just show up on Thursday evenings or Sunday afternoons and join the fun.

# Elks Band

## **Good news! The San Mateo Elks Concert Band is back!**

It's been great the past few weeks to be practicing and playing music for the lodge members and guests. On June 30 we played a dinner concert for the first time since February the year before. We're now practicing more music to play at our next dinner concert on Wednesday, July 28 from 6:00 to 7:00.

In August, our smaller jazz band will be working together again on Dixieland-style classic tunes. That group will be featured at the Wednesday, August 25 dinner concert. We're ready to play if the Labor Day Pancake Breakfast is ready to revive a few days later.

The band's first performance this summer was at the Flag Day Ritual on Sunday, June 13. At our following Tuesday rehearsal, band members were exclaiming over how this was the most moving Flag Day event they could recall. Players noted that the lodge leaders presenting the words of the ceremony were very well prepared to project the text clearly and meaningfully, picking up from each other speaker readily. The Boy Scouts carrying flags were also consistently ready, presenting each with respect and inspiring respect for each flag. This was one of the best Flag Days we've

witnessed, and not only for the joy of being back together again after a long time away. Our band was proud to be part of this event.

Lodge members are very welcome to join the band. If you have friends who play instruments that are used in our band, especially people belonging to other local Elks lodges, let them know about our musical group.

If you are interested in participating with the band, contact the lodge office or me (the band's musical director) at [jameslangdell@gmail.com](mailto:jameslangdell@gmail.com).

# Troop **44**

## By Lauren Davis

This month scouts continued to enjoy the in-person meetings at the Elks lodge.

We had a scout spirit training session. We also did blue card and troop room organization. Our greenbar also start to get to hold out meetings inside the Elks lodge, where we discussed plans for the upcoming month.

Our troop also got to go Camp Chawanakee. At Chawanakee, we got to work on merit badges. Some of the merit badges that were offered were climbing, swimming, welding, archery, leatherworking, horsemanship, and environmental science.

Our scouts participated in services hours for their tribe of Chawanakee. For certain ranks you have to do a certain amount of service hours. There are five ranks. On Wednesday, we earned the thumbstick, which is an award for cleanest camp which you add on to and give back. We also did flags twice.

Scouts could purchase a lot of candy, ice cream, soda, slushies, and other souvenirs.

The lake was nice, even though it was a bit cold. In the morning, the hosted the polar bear plunge which on the first day only Mr. Rollazo and I did from our troop. The sec-

ond day of the event more people from our troop did it.

The staff was great. We made delicious Dutch oven cakes. We made a broom rack out of lashings. We had a lot for lunch. That was what this past month looked like for our troop!
