**A MESSAGE FROM THE EXALTED RULER
GENE CONDON**

Lodge 1112 Covid Break Out 2022 – Completed

We have reached the final month with this administration. We've been working a Lodge plan developed a few years back, this being year two of that plan, and we hope you have seen our accomplishments come to fruition this year. Administration of an ELK's Lodge is one that is quite the challenge. There is an ole' saying that if you're not pissing off at least a few people, you're not doing a good job and there is some truth to that.

Sometimes there is some tough chewing that's hard to swallow but the aftertaste has been wonderful. That is a part of change and growth for the future. The need to continually change and modernize is part of our

lodge formula for success. We are a very unique Lodge in Elksdom, to which other Lodges really learn from and take note of what we do and how we do it.

We have had quite the challenges this year with building and equipment issues. The good part is that we have had a large number of passionate members really step up and make a difference for the love of the Lodge. They volunteered, brought in new members, supported events, and most of all jumped in where the need was the greatest. Our boiler challenges and membership rise are the best examples of what passionate members can really do.

Unfortunately, we have also had select members that have rarely stepped up or took part in supporting the Lodge, but seem to be the first to criticize and complain -- members like John Doe who posts notes on the walls and sacred areas of the Lodge, sharing his dismay of the lodge -- but who never shows up at a Lodge meeting to see how he may help. We would also like to give a special shoutout to the member who defecated on the floor in the men's locker room a few weeks back.

Really people?

Then we have the other John Does that continually complain about our Wednesday dinners, short pay, never tip the staff and most of all never compliment. Yet, they always have plenty of to go boxes to make sure they take home as much as they already ate! Just an FYI for those that think they are entitled; A Carl's Junior burger meal is \$27.

In honor of our John Does we have rounded up our drink prices so they can no longer tip 25 cents to the staff.

Welcome to the life of an Exalted Ruler. This is what zero tolerance is all about. The real hurt from the John Doe's of this Lodge is that the members that really help make a difference in the Lodge, hear and read what the John Does of the Lodge say and do and because of their pride and love for the Lodge, they feel upset, hurt and get quite mad. When you see members that make a difference, please give them a big "thank you" or buy them a drink. A "Thank You" goes a very long way. Past ER Mike Mercurio would always say "Just don't stand around- buy a round!"

We've had a magnificent year because of the efforts of a great Corps of officers, committees, and volunteers and staff. We have been a great team and it shows in the quality and growth of our membership. The excitement around our Lodge is contagious and is visible with our growth. Growth is the reason we are able to have the funds available to keep our lodge running and modernized. This makes us proud to show off our lodge to our friends and new members. It makes our members passionate about their Lodge. We are a Lodge, a Lodge is a home, and this is our home.

You may ask yourself "What's going to happen next year?"

Bill Wratten will be our upcoming Exalted Ruler to continue our plan and with him we have a young, creative, and passionate staff to take us into the future. Members will need to be prepared for the exciting changes they will be bringing forth.

It has been a pleasure to be your Exalted ruler this year.

Let's keep the party rolling.

Gene Condon

Helping those in Need with ENF Grant

Since 1974, Samaritan House has brought a new level of hope, dignity, and empowerment to our neighbors living in poverty, fulfilling their immediate needs and guiding them to self-reliance.

San Mateo, 1112, was there to support them in that effort, proving time and again that Elks Care and Elks Share!

As part of ENF's Covid -19 Relief project, we donated a Spotlight Grant of \$2000 to Sam House to help our Community out of these trying times.
