November is upon us.

We are over half way through our fiscal year and on track to hit our goal of 1200 members.

We encourage everyone to bring in new members to enjoy our community.

We have a lot of activities going on including our bowling league, billiards league, bocce, golf, tennis and pickleball, and of course our fundraising events like our Annual Crab Feed.

As for the community, we have many upcoming events with the Veterans Committee, as well as Hoop Shoot, scholarships, and the Americanism Essay contest.

For our Elks National Foundation, the Elks provide over \$14 million in grants each year all across the country. These include education to children of deceased Elks and training centers and in-home services for the care and treatment of children and adults with physical disabilities, such as vision and speech problems.

I am asking all of our members to try and support these programs through donations of time and money.

The lodge cannot exist without volunteers.

Thanksgiving is coming up and we should remind ourselves how good we have it.

Elks will always support each other and their communities and that is because ELKS Care/ELKS Share.

Troop 44 and 4044 News

By Koen Bales

This October we have a lot going on in our troop. However, this month is special in that it is the last month of my term as Senior Patrol Leader. I learned a lot in my term be it leading us through our time at summer camp, guiding the troop through a hurricane and more. I learned so much and had so much fun being a Senior Patrol Leader.

I had lofty goals leading our troop into our week-long summer camp Chawanakee in June. I hoped we would come home with a thumb stick and/or the individual troop spirit award. While we did not accomplish either of those goals I felt our spirit was beyond great and was so proud of our experience at Chawanakee this year.

I led the troop through several campouts this term but one of the most memorable was when we got rained out by a hurricane at Lake McSwain. It was an experience like no other having to test my skills in an actual dangerous scenario. I also fondly remember my first trip as SPL when our troop ventured around Great America and was an enjoyable trip to start my leadership term.

I had such an amazing time this term being around all the scouts and seeing them grow into leaders, I had very few goals of my term other than to keep the troop sustainable and hold the position until someone capable and excited was ready to step up as SPL and I feel I did just that.

Elks Care. Elks Share

My name is Lynda Stuppi. My Mom and Dad used to take my brother and I to enjoy warm afternoon swims and activities at the Elks pool and Lodge.. We lived in Westlake at that time. My Dad, Dr. Harold Torkelson, also enjoyed the sun in San Mateo, so he joined the Elks Lodge and bought a home in Burlingame!! We were all so happy to live in the sun and swim!

My brother and I went to Mills High School. My brother died in 1967. That was the reason Mom and Dad purchased 4 burial plots at Skylawn Memorial Park, off Hwy 92, at Skyline Blvd. They were able to personally choose their four plots facing the Ocean, in the **Elks Lodge cemetery area!** My Mom is in one and my brother in the other one. My dad chose to be cremated and I no longer live near San Mateo. Consequently, we have 2 burial plots to sell, within the Elks area.

Since we were an Elk's Lodge family, I thought this should be my first choice to connect with good people who might also have relatives at the Skylawn Memorial Park, and be interested in 2 plots themselves. The area is easily accessed. When you enter the first gate on the left, that is the entry into the Elks' area. Our 2 plots are just off a little road winding around the grounds, and overlooking the ocean view! Right below our plots is the Crematory area.

It is my hope and desire that the Elks Lodge will have a way to 'announce' this opportunity to their greater membership. It would be a blessing to me, to know other Elk members will be next to my Mom and brother.

Thank you for your time reading this message.
My contact number, email and Skylawn Park address and link are below.

Sincerely,
Lynda Torkelson Stuppi

To Maui With Love

Thank you to the Elk families that donated school supplies for the children of Lahaina.

Four schools were impacted by the fires which left about 3000 students without a school.

We collected 10 boxes filled with school supplies and another three boxes full of brand-new back packs. The first shipment has already reached the school kids.

All donations are going to the Lahaina Keiki Relief Fund Store, where the children who were affected by the fires can go get school supplies, backpacks, shoes, clothing and toys free of charge. Our banner that we worked on at the pool this summer is hanging up in the store!

Special thank you to members Renee Lavezzo who ran a backpack campaign at Oak Knoll School in Menlo Park and to Jessica Marshall who was my liaison in Maui. Jessica not only met the social worker and two friends that opened up the Relief Fund Store, she transported the supplies to Maui and personally delivered them to the store.

Mahalo!

CIP CLUB

Community Investments Program

With Halloween decorations going up and horror movies playing in theaters, we've reached the spookiest time of the year. But to us, there's nothing scarier than Lodges not taking advantage of the grants available to them. Between \$6,000 and \$9,500 is available to every Lodge, and we want to ensure that you receive every dollar to serve your community.

In this month's CIP Club, you can read about what makes October a great time to plan drug awareness projects, exciting news from the Midday Minute, a CIP Tip, and more!

WEARING THE RIBBON

October 23-31 is Red Ribbon Week, a time of advocacy and awareness of the harm that drugs and alcohol can cause communities. Along with the work done by the Elks Drug Awareness Program, many Lodges use grants to prevent substance abuse through education and recovery support.

Donaldsonville, La., Lodge No. 1153 uses a Gratitude Grant to hold a Drive into Recovery event. The Lodge works with community partners that provide information for those who may be exposed to Fentanyl and resources for the safe destruction of prescription drugs. Since many of the attendees also experience hunger, the Lodge uses some of the funds to distribute food boxes.

Portsmouth, N.H., Lodge No. 97 used a Beacon Grant to partner with Step Up Parents, an organization that provides support to caregivers who have taken custody of children due to parental substance abuse. The Portsmouth Lodge provided resources to the organization and hosted an event for the community with experts and local politicians.

BREAKING NEWS ON THE *MIDDAY MINUTE*

On the latest episode of the Midday Minute, Jim and Debbie share exciting news about a new bonus for the Gratitude Grant! The Fundraising Increase Bonus will offer an additional \$500 if the Lodge raises 10% more than the previous year. This bonus will be available starting in grant year 2024-25, meaning that your Lodge can start working now to qualify for a Gratitude Grant of up to \$4,000 next year!

A report will soon be posted so the Lodge can track its progress toward that 10% increase. With that, the Lodge will know exactly how much it needs to raise to receive this fourth Gratitude Grant bonus.

Firefighters, Princesses, and Turtles, oh my.....

San Mateo 1112 used partial funds from a Beacon grant to support Samaritan's House Kid's Closet "Halloween Costume Pantry" to donate Halloween costumes for families needing a little bit of help. Many client families of Sam House have to choose between purchasing food for their family or buying a costume so their child can join in on Halloween festivities at their schools and join in on neighborhood Halloween fun.

San Mateo 1112 jumped right in to lend a hand. We were very happy to deliver 45 costumes of the scary and "not so scary" nature to our friends over at Sam House. They were amazed at our selection and were very grateful for our support of this worthy cause. Your support of ENF helps make projects like this possible.

Ti auguro ogni bene

We had our 8th tournament of the year at Metropolitan on Wednesday, October 4th. The course was in fair shape, and the weather was good. Congratulations to Rick Swartz for shooting a gross 75, which was 3 over par and to Alfie Holmes for having 9 straight pars on the back 9. The results from the tournament are below.

Our last tournament of the year is at Poplar Creek on Monday, November 6th at 10AM. The cost is \$70, and the money is due by Monday, October 30th. We will be having our end of the year dinner on Wednesday, November 8th. We will be giving \$50 to the golfer of the year, and the golfer who was “closest to the pin” for the year. Right now, Don Kelley is closest to the pin at 5’9”. Mark Milano leads golfer of the year with 23 points. Following him is Rick Swartz with 21, Steve Seitz with 20, and Mike Dillon with 18. There is a maximum of 6 points on the Poplar tournament.

HANDBALL

Well, the Elks Handballers are in full action. In early October the Los Caballeros Athletic Club hosted the USHA National Masters Doubles Tournament. Players from around the United States came to stake their claim on a national title. Our very own Dave Ackerman and Tom McGrath won the title in their respected age brackets. Great job guys!

Handball players and non handball players are invited to the 41st Northern California Hall of Fame Tournament. This year the San Mateo Elks #1112 will be hosting this great event. Players, it is time to sign up and represent your lodge. Non players please stop by to eat, have a beer, and watch a game. The tournament is November 4th and 5th.

See you at the lodge!

Bowling Is Back!

The San Mateo Elks Bowling League for the first time in many years has a full league. All three nights are completely full. We would like to thank all our new and returning bowlers for their patience while the lanes were being fixed. We worked hard for quite a while to get her up and running for the season. We are hoping for a great year ahead of us. If you would like to be placed on the waiting list to bowl or become a substitute bowler, please contact Tom Dasher at (650) 455-5563.
